

# "D-80" CONVEYOR BELT WIPER RUBBER

## ABSOLUTELY THE FINEST BELT CLEANER MATERIAL AVAILABLE

(used as standard wiper material on our model 74 and 76 cleaners)

Our D-80 belt wiper rubber is an 80 durometr solid rubber compounded especially for belt cleaning applications. It has the proper stiffness, and probably just as important, it is highly abrasive resistant. We guarantee it to improve the cleaning effectiveness of your belt cleaners.

There is no extra chagre to cut your order into individual lengths if desired. All our rubber is sold on a per foot basis with no extra charge for cutting. We do have a minimum order quantity of \$15.00 on D-80 rubber material.
